WHAT HAS THE NATIONAL  
ACCREDITATION BUREAU  
EVER DONE FOR YOU ?

- **(National) Action Plan for Quality Assurance Development closely followed by NAB**
- **Continuous and Systematic Policy aimed at achieving compliance with ESG and, eventually, full membership in ENQA and EQAR**
- **2025 – Important Milestone (Amendment of the HE Act adopted)**
- **NAB as a legal entity and government-funded body established**
- **Organisational, Legal, Political, Financial Autonomy**
- **NAB Chair selected on the basis of an open public call**
- **Higher Professional Schools integrated into the HE accreditation process (a three-year adaptation period)**

## Higher Transparency, Better Quality, Higher Level of Alignment with ESG

- **Site visits newly introduced**
- **New guidelines for writing review reports introduced in line with ESG**
- **Evaluation Committee Reports publicly available on the NAB web**
- **Programme grouping = one single assessment = one evaluation committee (accreditation files lodged quarterly by universities)**
- **Special attention drawn to training of evaluators**
- **Thematic analysis policy 2026–2027 approved by the NAB Board (currently various forms of programme collective supervision being explored. To be finished June/July 2026)**

- **New standards and guidelines compatible with ESG produced by the NAB (all stakeholders consulted, their feedbacks reflected). Eventually, standards to be formally approved by the government**
- **Self-Assessment Report and Strategic Plan under preparation**
- **Formal Application to be lodged in May – July 2026**
